

El Caballero Country Club Dress Code for Members & Guests

Members and their guests are encouraged to think of dress code guidelines as being within the context of shared values and mutual respect. Personal dress should exhibit good taste at all times and be appropriate for the activity and Club location being utilized. It is the responsibility of the Member and common courtesy to inform guests of proper attire and applicable Club rules before arriving at the Club.

Country club casual or resort casual is the general style of dress expected for most areas of the Clubhouse, golf course and golf practice areas. Exercise attire is appropriate in the fitness center, in the pool area and on the tennis courts. Exercise attire should be appropriately covered when going to and from an activity or when in the Clubhouse. The dress code may be modified from time to time subject to specifications on special event flyers.

Management shall determine the propriety of apparel worn in the Clubhouse and on the premises and whether a form of dress conforms to the dress code. Please do not confront a fellow member.
